

Ventech VFG 250 Frameless Extract Grille

Ceiling or Side Wall
Mounted

For Bathrooms, showers,
laundries, kitchens.

Plaster board or tiled ceilings
and walls.

Dimensions: 250 x 250 overall
Plaque size: 200 x 200
Standard top exit spigot

A minimalist grille showing only a negative detail
250mm square 25mm w x 50mm d. Framework
and fixings are not seen.

Once the unit is plastered in place the flexible
duct is pulled down through the hidden
frame and attached to the central plaque and
spigot using simple and completely invisible
screwed fixing.

The exposed surface of the plaque is level with
the ceiling and can be painted if required at the
same time as the ceiling.
